My dear President Hill:

It is a great pleasure to know that Mrs. Hill is getting better, and that there is a probability of her being able to make a trip to Halifax next summer. In case you resolve to do that would you not come through Toronto on your way and break the journey? It would be a long journey direct I should think. We are also likely to be in the city until the end of June.

Presidents Murray, Tory and Westbrook have just been with me.

With kind regards, I am,

Yours sincerely,

President.

the copy of your last financial report, which has just reached
us.

Yours sincerely,

President's Secretary.
